

SOLIS IMS Perfetta Shower Screen

For an even extraction of your sublime espresso: Italian-made professional shower screen with patented perforation technology.

For a full extraction

Thanks to the IMS Perfetta Shower Screen, a full coffee extraction can be achieved.

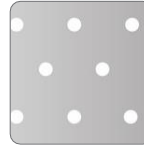

Durable

Keeps large debris from entering the machine, causing damage to it.

Unique perforation design

Photo-etched membrane with special micro perforations equally dispenses water over the coffee puck.

Easy to clean

The smooth surface of the shower screen prevents dirt from attaching to it, making it easier to clean.

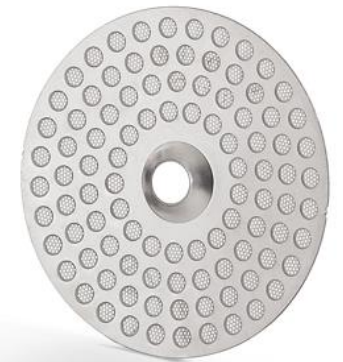

Professional quality

High-quality stainless-steel shower screen, made by IMS in Italy.

Perfect fit

Compatible with the Perfetta espresso machines by Solis.

Specifications

Article no.:	70060
Material:	Stainless steel
Passage:	200 µM
Central hole:	M5
Compatibility:	54 mm
External diameter:	51.5 mm
EAN:	7611210700609
